

An updated “Economic Growth under Transformative AI” can now be found on the NBER:  
[https://www.nber.org/system/files/working\\_papers/w31815/w31815.pdf](https://www.nber.org/system/files/working_papers/w31815/w31815.pdf)

The correction to two existing proofs regarding growth and automation, formerly written separately on my website in a doc titled “Growth under Cobb-Douglas automation”, can be found in Appendix B.2 of the working paper linked above.
